consequence is that for the low'
'the flute and flute playing ted
boehm theobald boehm

May 31st, 2020 - the flute or
closely related instruments has
been known since prehistoric
times but up until the middle of
the 19th century it was still
far from being a satisfactory
instrument despite the quantity
of important music that had been
written for it its tone was poor
and thin its volume was low its
keying system was inefficient
and it was very difficult to
play'

'western concert flute
