## english literature history authors books amp periods

June 4th, 2020 - english literature has sometimes been stigmatized as insular it can be argued that no single english novel attains the universality of the russian writer leo tolstoy s war and peace or the french writer gustave flaubert s madame bovary yet in the middle ages the old english literature of the subjugated saxons was leavened by the latin and anglo norman writings eminently foreign in origin''the onion america s finest news source
